KEY RESPONSIBILITIES

Key responsibilities I perform and fulfill during my tenure at TI Associates (Oct 2023 – Nov 2024)

My roles and responsibilities were:

- Conducted quarterly VAT return preparation and filing in compliance with tax authority regulations, ensuring accurate calculation and timely submission.
- Reconciled VAT control accounts and investigated discrepancies between financial records and tax reports.
- Performed quarterly bank reconciliations to ensure accurate cash balances and identify unrecorded or erroneous transactions.
- Prepared financial statements, including financial position, profit & loss, changes in equity and cash flow statement for audit clients.
- Liaised with client finance teams to gather supporting documentation and resolve audit & VAT queries efficiently.
- Identify control weaknesses and provide recommendations for process improvements to enhance financial reporting and compliance.
- Utilized accounting and audit software (e.g., Excel, QuickBooks, Xero, Zoho) for data analysis, reconciliations, and documentation purposes.

EXEMPTIONS

- Awarded 9 papers exemptions in Association of Chartered Certified Accountants (ACCA).
